

General Terms and Conditions (GTC)

1. Scope of Application

These General Terms and Conditions (GTC) apply to all contracts concluded between us, Schnell Medical AG, and our customers. By placing an order, the customer agrees to these terms and conditions. Deviating agreements are only binding if they have been agreed in writing.

2. Prices and small quantity surcharge

Our prices are in Swiss francs (CHF) excluding VAT. For orders under an order value of CHF 100 (excl. VAT), a small quantity surcharge of CHF 15 will be charged.

3. Shipping costs and shipping method

We cover the shipping costs for standard deliveries within Switzerland. Smaller consignments are sent with Swiss Mail as standard. For larger orders that require pallet delivery, we choose a suitable carrier who usually delivers the goods within two days. Please note that in individual cases there may be longer delivery times.

4. Retention of title

The goods remain our property until full payment has been made. Only after payment of the full invoice amount shall the property be transferred to the customer.

5. Terms of payment

The invoice amount is due for payment within 30 days of the invoice date, without deductions. In the event of default of payment, we reserve the right to charge default interest at the statutory rate and to withhold further deliveries.
